SUNNYSIDE DAHLIAS

GREETINGS

Our Catalog brings greetings to both our old and new friends.

We take this opportunity to thank you for past favors and trust we may have a continuance of your patronage. We intend to keep the best new varieties and send out only first-class stock.

Our flowers were more beautiful than ever this year. They were grown on the Stonington Road one mile from Norwich. You are cordially invited to visit us during the blooming season.

We exhibited at the fairs and won some coveted premiums, but we can say with the poet :

TROPHIES

The weeds are forgotten,
The voices are still,
The flowers have gone
And there's snow on the hill;
And trophies, awarded
By judges at shows,
Stand empty and cold
In their well balanced rows.

But prizes I treasure,
Stand not on a shelf;
They are stored in the
Indwelling part of myself,
That was broadened and deepened
By wonderful hours,
Which I yielded to thought
As I worked among flowers.
—Oscar E. Jensen.
